Hello from Durango:

Hope everyone had a wonderful Christmas and are ready for lots of fun and excitement in the New Year.

We had a wonderful Christmas pot luck party in December with lots of delicious food and a fun dance afterwards with some great Christmas music. Thanks to everyone who participated. We also hope that the snow dance that everyone has been doing has worked and that by the time you are reading this we have lots of that "white stuff".

Beginner lessons are starting January 5th. Bring your friends, neighbors and workmates to come try square dancing starting at 6:00 pm till 7:30 pm. Good exercise, friendly people, great music, a learning experience and fun! fun! fun! - what more could you ask of an activity. Our caller, Richard Berry, has had many years of experience teaching and is a patient, clear and concise caller.

Barring any weather complications we will be dancing every Friday during January with lessons starting at 6:00 pm and then our regular club dance from 7:30 pm to 9:30 pm.

Enjoy the snuggly, cozy, short days of January and remember "We are all like snowflakes, all different and all beautiful!"

Happy Dancing,  
*Shirley*

## As I Saw It – Bob Osgood (book)

### Description

This book was compiled and edited by Paul Moore. It describes the life and career of Bob Osgood, one of the founding fathers of MWSA and through that lens provides an enlightening vantage point on the evolution and growth of the square dance activity. Much of it is in Bob's own words, taken from his own articles, notes, and recordings. A remarkable insight into a remarkable man.

Hello from Santa Fe!  
 December was a great month at the Depot! We not only got to dance with our friends in ABQ, we also had a couple of guests call for us while caller Lisa and husband Tom got to take a well-deserved vacation. Kris Jensen called one Friday and national caller Eric Henerlau called another. We had enough guests for Eric's night to have an Advanced tip. We all love Lisa and the club, guests, and students very much enjoyed the variety! Our students are three months into a five-month lesson track. They'll be graduating at the beginning of March.

Please pray with us for a wet winter and join us for a dance in January!

The Sierra Twirlers ended 2017 with a demo dance for the City's Old Fashioned Christmas night. Our class has come along so well, they danced with the club for the demo. Give Joey the credit for that. The plus classes are still going at 5:30, and if you get a traveling bug, come on over and try a tip or two of plus. One blessing for the New Year is that the days start to get longer so traveling is a bit easier. Keep healthy, keep dancing.
