***Did you know??***

A cruise can be cheaper than a  
non-cruise vacation?

A cruise includes:

- \* All meals with as much as you can eat
- \* Daily housekeeping
- \* Entertainment
- \* and lots of square dancing

Your average 9 night vacation at a hotel  
or other accommodations where you pay  
per night does not include all meals, daily  
housekeeping, entertainment or any  
square dancing. When you add those to  
the nightly rate, the total cost can be  
much more than a cruise.
